Parent Meeting: School Improvement and Admissions Consultation

On Tuesday 14th January at 5.45pm we will be holding a parent meeting in school to discuss the improvements we have made in school since the Ofsted inspection and to answer any questions you have about the consultation on reducing the admission number at Greenfield. If you are unable to come to the meeting but would like to share your views on the admission consultation, please respond in writing to:

Learning this term

On Monday all the teachers took part in a very productive day, improving practice in the planning, teaching and assessment of writing. One of the key areas we looked at was giving children a clear purpose for their writing to encourage them to aim for a high standard. Look out for children's writing being shared on Dojo, around school and in the newsletter. We are also looking at building up links around Kippax and beyond to get the children writing to different people and sharing their writing with a wider audience.

Children have been starting their new IPC units this week and you will be receiving information from the teachers through Dojo about what they are studying. The units include:

YR: Going places

Y1: What's it made of

Y2: Live and let live

Y3: Island life

Y4: Land, sea and sky

Y5: AD900

Y6: Being human

A great range of subjects for the children to get their teeth into!
