### Wear Red Day

Next Friday we will be having a “wear red” non-uniform day to raise money for the Children’s Heart Surgery Fund. This a charity that is very important to us at Greenfields as we have children in the school who have benefited from the support of the charity whilst receiving treatment. Children can wear non-uniform including something red and bring in a donation for the heart surgery fund.

### Class 2 Multiskills Success

This week a team of children from Class 2 took part in the multiskills competition against the other schools in the Brigshaw Learning Partnership. They all worked brilliantly as a team and showed what great sporting skills they had by coming first! Thank you to all the children for representing Greenfields so well and congratulations on your success!

### Attendance

As I’m sure you will realise, attendance took a knock last term with the nasty illness that took hold in November. Our overall attendance last term was 94.2%:

Class	Attendance
Reception	95.7%
1	92.3%
2	94.4%
3	94.4%
4	95.2%
5	92%
6	95.6%

With everyone well again, I’m sure we will improve this term to help the children continue to make great progress.

## House Day

On Thursday the children will spend the morning in their house groups. Children who are new to the school will be sorted by the sorting hat in assembly. This will be the first of 2 house days where the children will find out about the culture of a different country including art, dance, music and food.

Flamborough: Italy

Brimham: Brazil

Aysgarth: Gambia

Dalby: Thailand

## CELEBRATION ASSEMBLY

Our nominations for Celebration Assembly this week:

### Class 1: Maisy

Maisy always has great ideas and advice during plan do review sessions. She has a very creative personality and inspires others creativity. Maisy always thinks carefully about how she plans to learn during her choosing time. She always carries out the learning she has shared during plan and spends lots of time focussing. Keep up your fantastic attitude to learning, Maisy!

### Class 2: Alex M

Alex is very eager to learn and has grown in confidence since starting Year 1. He now answers questions carefully and thoughtfully. Alex is not afraid of making mistakes and actively takes on challenge in each lesson. In Maths, he has shown great resilience when solving addition and subtraction problems to 20. Alex is a fantastic learner and I will continue to enjoy watching his confidence grow!

### Class 2: Eliza

Eliza has shown great courage this past week coming in to school with a broken foot when everyone thought she had a sprained ankle. She has also worked hard to check her work for spelling errors in her most recent writing. Eliza is using all the skills taught in class and is using her phonics mats, english working wall and surrounding to check her work independently.

### Class 3: Tyler

Tyler has been working hard on his maths learning. He is focused during morning work and applies his skills and knowledge from the maths lessons. During lessons he is focused and thinks about his learning.

### Class 4: Tillie

Tillie has been working hard in our writing lessons and has created some lovely descriptive tension writing during the independent section of our guided write. She has also been thinking carefully about how she can edit and improve her work.

### Class 5: Lydia

I am extremely proud of Lydia's learning attitude. She is demonstrating a lot of enthusiasm, trying really hard in all her lessons, and sharing some great ideas. Well done Lydia!

## Class 6: Ryan

Ryan has shown great resilience and determination during our algebra lessons in maths. He has worked hard to develop his understanding of writing equations and completed the silver and gold challenges to a high level.
