

RESPECT for ourselves, each other and the environment.

Welcome

Dear Parents/ Carers, we would like to introduce you to our School Council team.

We are made of 13 students, 2 from each class (we have 3 pupils in Year 5).

To elect who were going to be our School Councillors we had to make a manifesto and read it in front of our whole class. After that, we did a blind vote but you could only choose 1 boy and 1 girl from your class. Finally, the previous School Councillors had to count up all the scores and then announce it in assembly.

Unwanted Shoe Appeal

Help UNICEF to reach even more children in danger by donating your old or unwanted shoes.

Thank you for all your kind donations so far.

SHOESHARE

School dinners!

School Councillors are really keen to work closely with our school food ambassadors and the catering team to make our school dinners even better. Watch out for further news.

Future events

Soon the Leeds Waste Management Team is coming to work with the School Councillors to support us with our mission of recycling.

We are also going to be involved with the interview process of some new members of staff.

We have many different fundraising events coming up too.

Past Events

In the past, the School Council has done many things to help our school.

We have redesigned the quiet area, the toilets and the cloakrooms; we have done a bring and buy sale; we have also interviewed people for jobs around school, and many more exciting tasks.

Saving the environment

As you all know, the plastic we use can damage our environment. We are trying to reduce the plastic we use, to do that we are doing our best to use less throw away plastic in our pack lunches than we currently do.

Who are we?

The School Council are supported by Mr Cahill, Mrs Roberts and some other people such as Mrs Hall and Mrs Swales.

Mr Cahill and Mrs Roberts will lead the School Council until Mrs Moleele comes back from maternity leave. The link governor is Mrs Swales; she organises the fundraising events for the council.
